So sorry for your loss. I remember Frankie Dale from school. I always looked up to the students in the older classes. I thought they had it together so much more than us. Then, when our class got on up there, I understood the older kids were just like us. No matter, for it was the best times of our lives. Praying for the family during this difficult time.

May God wrap his loving arms around all members of the Hines family, and bring you comfort, peace, and understanding during this time of grief. Dale will be missed by so many. I am thankful for his lasting testimony that he shared with us by his last poem of what Jesus and Christmas meant to him. Rest in Peace, cousin Dale. The world was a better place because of your presence here on earth.
