Rita lit a candle in honor of Gary.

I'm so sorry to hear about Gary's passing. I used to go to the hot chicken place and he would sat with me and we'd talk about our families. I wished some of the family would have contacted us so we could have paid our last respects to a well liked funny guy. Rest in Peace Gary.Rita Roberts(Bolster)

I first met Gary in the summer of 1979. I remember everything about that day. Our 38 year relationship was weird but I guess it worked for us. We share a daughter and 4 grandchildren. He knew I would always be there if he needed me. And now, I will (along with my friends and family) will be there for his youngest son Dalton. Its going to be weird not being able to call him but I know he is watching. I love you Gary Lynn, always have, always will. ❤️ I will see you on the other side one day.

Gary and I were best friends From the seventh grade at Neely's Bend Jr.High School. He and I had many "adventures". Though we have been out of touch for many years, he and his family will forever hold a special place in my heart. I am so sad to get this news and wish to send my sincerest condolences to all who knew and loved him as I certainly did. Go rest high on that mountain my friend. Love always.- David McPeak
