Even though It wasn't always easy for Aunt Jewel, she always was ready to laugh and talk. I would call her sometimes after we moved to Florida and we would be on the phone for over an hour. Her memory was always amazing and when she couldn't remember something, she would just laugh. Janice has that same, beautiful laugh. Aunt Jewel helped so much with mom after daddy died. They would just go to Wendy's to get a hamburger and that meant so much to mom. People always said of dad "he tells it like it is". I guess that was a family trait because Aunt Jewel did the same thing. I think you always knew how she felt about things. I will miss her smile, laugh and straight talking.
