When I think of Willie my belly growls. Elaine and him had the best ever cook outs. He always had a smile and warmth for everyone. I will always remember him fondly.

I am truly saddened by the death of my sweet cousin Willie. He will always be one of my favorite people in the world. I have so many fond memories of our years together that I will treasure forever in my heart. I am comforted knowing that he is now healed and celebrating in Heaven with Jesus all of his family and friends that went to Heaven before him. I know my daddy welcomed him with open arms. I will forever love you & miss you Willie.
