So sorry to hear about Jeremy's passing. Too young! Didn't know him, but his dad was my cousin and I grew up playing with Chris, Danny Lee and Belinda Kay when they visited their grandparents (my uncle and aunt) in East Tennessee.

Jeremy was one of my very best friends growing up. I drove him to school everyday in high school. We hung out all of the time- whether it was playing sports, video games, hanging out with friends etc. Jeremy was always liked by everyone and was an absolute blast to hang out with. I haven't seen him in several years as we've grown older and moved in separate directions. He was an incredible person and such a truly great friend, I will remember him and all the good times we had together. He'll be forever missed and my deepest and sincerest condolences go out to all of his family and friends. God Bless-
