Gary was a great friend and a wonderful co-worker. You couldn't ask for a better person or a more dear heart. He always put a smile on everyone's face that he came in contact with and this world will be a lot more empty without him here. Being around Gary made you want to be a better person and enjoy life and all it's blessings. I will miss you dearly sweet friend but I will see again some day...

John 14:1. Do not let your hearts be troubled. You believe in God ; believe also in me. 2 My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? 3 And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. 4 You know the way to the place where I am going."I am so very sorry for your loss. He was a wonderful man with an electric smile that brought joy to many. May the Lord give each of you peace and comfort during this difficult time.Love,Selena

I met Gary in 1997 when I enrolled at the Diesel College. I worked part time for the school in the mornings so, I saw Gary quite often. He became a good friend. I don't think I was ever around him that he didn't have a smile on his face and he could always make you laugh. He will be greatly missed by many. All of his family, friends, and Coworkers are in my prayers.

Gary was one of the greatest guys I have ever met. If you met him you would never forget him He was truly one of a kind. He had so much energy. He would say the funniest things. He loved life to the fullest. I never saw him when he wasn't smiling. he always had laughter in his heart. He loved everyone. he would always kid around with me but before we parted he would always say "Gary, by the way, it's my name too- Gary, always know that I love you" It is such a travesty that he is now gone. I can't believe it. life at work will never be the same without him. He was my right hand man..I depended on him for so many things. He was always there for me. This kind of thing always happens to the good ones it seems. I guess God needs him more than we do right now. He would make a very good angel. Gary was the real deal. He was always a stand up guy.He was a square shooter. you could always depend on him. if you needed him, he would be there for you. I know that God is with him now. Gary earned his wings down here on earth and I know he will in heaven. I don't know of a single living soul that knew him that did not love him. I could say that I will pray for you Gary White but I know that I do not need to. I need you to pray for me now. Watch over me Gary. I love Gary White. forever and ever my dearest friend, your buddy, Gary Wallen
