God took you home and gave you your Angel wings, though no one was ready for you to leave. Our life together gave us the most Loving, Caring, and Awesome children there ever is. I know that you loved with all your heart as I do as well. We were at least always on the same page when it came to our Babies. I will be there for them as you were too. Though now, you're watching over them from Heaven above~ You're now resting in peace and are going to be dearly missed. Hearts are broken but, in time they will mend. I'll be watching after them here while you are flying high watching them from above. You will be missed always. MaryMarie Reeves
