I Am Free Don't grieve for me, for now I'm free; I'm following the path God laid for me I took His hand when I heard Him call; I turned my back and left it all. I could not stay another day, to laugh, to love, to work, or play. Tasks undone must stay that way. I've found that peace at the close of the day. If parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah, yes, these things I too will miss. Be not burdened with times of sorrow; I wish for you the sunshine of tomorrow. My life's been full, I savored much; Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your heart and share with me --God wanted me now, God set me free.

Kimberly was the most kind hearted sweetest person I have ever known. she could light up a room just by walking in. always had a sweet smile for everyone and would go out of her way to help anybody. We had a very close bond between us that nothing or nobody could ever break. I love her just like she's my own child. I'm going to miss the phone calls and text messages and be looking for her to walk in at anytime with that big beautiful smile and laughter. My heart is broken but I know she needed a rest because God only takes the best. I could go on and on about the kind of loving darling young lady she was but everyone that knew her knows this. She will forever have a special place in my heart. ❤️ 🌹 forever and always..g-ma

Kimberly was a great person with the biggest heart she would always make sure others were taken care of I will never forget our last conversation I told you not to worry about what anyone else had to say because you were beautiful and they were haters lol but I will miss you girl all your silly but beautiful pics on Facebook with all the babies now they will always have someone to watch over them to make sure they are good. you were way too young to leave this world but God has other plans for you. He needed you home. But we will all miss you. I'll never forget riding the church bus and all the crazy times on it. That is a time I will always be grateful to call you my friend.

I love you Kimberly more than anyone knows. I miss you already. Looking for a phone call or text anytime. You always had hugs everytime you came in and when you left. The last time was Friday June 9th 2017. Last words were I love you grandma and I will be over here tomorrow. She came to my house 3 or 4 times a week. We were so very close. We always had our own little secrets and I will keep them in my heart forever. I still can't believe she's gone! Feel like it's a bad dream and hope I will wake up and she will be calling or texting me so we can get together. ❤️❤️❤️❤️❤️🌷🌷🌷😊
