Ricky was my little brother. Together, we were a team. Growing up we climbed tree's, rode bikes and stuck together like glue. You were always there, to talk me down from the highest tree when I went too high! You calmed me down when I was sad and you made me laugh when things looked bleak! I am not sure what to do without you! I know that we will be together again, and that you are no longer in pain and suffering! That brings comfort to my soul. You were my last link to our childhood! No one else knows as they have all gone before us. So, even though we must say goodbye, you will never be forgotten! Ecclesiates 3 says There is a time to be born, and a time to die. I know your rewards shall be great! Love you always my brother.
