Jewel was a wonderful aunt to me. I have so many memories of visits to Tennessee, staying all night with her girls, the whole family laughing and joking until we could hardly stand it. I am sorry that I could not be there to say goodbye but you have always and will always be in my heart. My love to all you girls and your families,
Your cousin Peggy

It is so difficult to bid farewell to your mother but the memories you have will carry you through these trying times. Her legacy will live through her family and will be the strength needed for today. Wish I could be there for you. I shall pause during the time scheduled for her service to pray for each of you and give thanks for the values she instilled in your lives. 1 Thess. 4:13-18 Always in my heart.

Aunt Jewel was a wonderful and special woman. She brought joy to everyone she encountered and lit up every room she entered. It's rare in this life to find such a kind, gentle, loving, brilliant soul. Though she's gone home to be with her loving husband, Bob, she will always live here in our hearts. My love to all of my family during this time. Although I'm far away, I'm there in spirit and here if you need anything. All my love, Jen

Sister Brown was a lovely lady in every way of my knowing her. I met her when her daughter and son-in-law invited me out to eat with them. She was so sweet and kind, a lady anyone could love, my heart hurts for her family knowing the hole left in their hearts. Love you Trish and Ray for introducing me to this lovely lady. with all my love Loretta
