Mrs. Dorothy Ann Timmons "Dot" McCreery

NOV 29, 1928 - SEP 23, 2017

Died September 23, 2017. Dot McCreery was born on November 29, 1928 to the late Mary Frances Carney and Percy Bradford Timmons, Sr. in Nashville, Tennessee. Nashville was home for 46 years, where she graduated from East High School, embarked upon a 33- year career with South Central Bell, and married her brother's best friend, Evans C. McCreery, when he returned from World War II. Their happy marriage spanned more than 51 years, from November 27, 1946 until Evans' death in 1998. Dot and Evans moved to Murfreesboro, Tennessee in 1974 and again to Signal Mountain, Tennessee in 1976 where Dot lived until 2002 when she relocated to Springfield, Virginia to be close to her daughter Carney and her family. Dot interrupted her South Central Bell career for the 17 years she raised Carney, while also contributing many hours to her church, to Carney's school, to the hospital as a Pink Lady volunteer, and to the PTA as president. An avid animal lover, especially dogs, she was blessed with Duchess, a St. Bernard who delivered three litters, including one that numbered 16 puppies! In the few unoccupied hours left, Dot played bridge – once a month for more than 40 years, with a beloved group of friends. She is also predeceased by her brother, Percy Bradford Timmons, Jr. and her son-in-law, Harold F. McCullough.

Mrs. McCreery is survived by her daughter, Carney M. McCullough, and grandson, Bradford Evans McCullough and numerous nieces and nephews and close friends.

Her family would like to thank Marie, Emelia, Cecelia and all the staff on EV3 at Garden Ridge for their loving care for the past five years.

Services will be held at Pohick Episcopal Church, 9301 Richmond Highway, Lorton, Virginia on Wednesday, October 4 at 11 am. Graveside services will be held at Spring Hill Cemetery, 5110

I have just heard of Dot's passing. She as a Southern Belle personified. Dot was one of the first folks I met when I came to the Chattanooga (SCB) Business Office. She was one of the sweetest, kindest, funniest, most genteel ladies I have ever had the pleasure of knowing. R.I.P. Ms. Dot! Cliff Wilson

Dear Carney and Brad,While I never got to know Dot well, I do have warm memories of seeing her frequently join in at Burgundy Farm family events—always with a smile, helping hand or good story. I was often entertained and moved by your stories of her Carney, told with obvious love and affection at our book club meetings, and I admired what a close family and obvious influence she had on you (and Brad). What a wonderful legacy to leave! I know she will be greatly missed but always remembered.With deep sympathy on your loss -- sending hugs and prayers to you both.Love,Susan Friese

Dot was a real friend to all in our Bellsouth business office. So soft spoken I had to strain my ears to hear a lot of times. I could call her a gentle person with magic hands . Rubbed our necks that were tired and stiff from work. I really don't think she ever had a mean thought about anything and she built people up instead of tearing them down. She often called me Marilyn (after Marilyn Monroe) . Definitely made me feel great. When she retired she gave me an umbrella she kept in her desk to use but told me when I retired I should do the same . God has a new ray of sunshine and bubbling laughter in heaven .
