Ms Eva's favorite time of year was Autumn so it is only fair that the Lord chose this time to take her to the most lofty perch for her mostly gorgeous view of color ever! I have known this family for around thirty years and seen Ms Eva's love for the Lord, her church and family. I will always remember her support for our softball team and she rarely missed a game! Lots of love for many years of fond memories with this family. My deepest sympathies to Jack, Tammie and Terrie in her loss. Although she fought a hard battle for the past few years, I pray that it is comforting to know that the Lord has her now and she can rest and have a joyous reunion with her friends and family there! Love, Elaine Stroud

TO US, EvaNelle was "Momma Scott." We did not have extended family in TN -- except for the Scott's. EvaNelle was Mark's primary caregiver for his first three years until we moved to Florida. We remember visiting with you folks on a summer vacation after getting our 2 adopted daughters and my having Marriah. Mark said to us:"How come I can't have a sister like Tammy?" And Merri, who came to us at 4 years old, wanted to know why she never had a "Momma Scott -- she was so jealous of Mark and Momma Scott. Mark loved following Papa Jack through the garden "and helping." That vacation (1978) we were tent-camping and thank goodness the Scott's entertained us during some tremendous rainstorms. To our kids, the Scotts are pretty wonderful!
