Kenny and Melissa were always happy and enjoyed so much of life. They always spoke of their grandchildren and had lots of pictures. Kenny was always smiling each time I saw him. I'm thinking of you and your family and pray God lifts you up and you always have happy memories. Talk and pray and God will get you through each and everyday. I love you. We are so very happy that your first outing when coming home was to visit with us approx. 2 wks. before you moved out of this world. We enjoyed so much seeing Kenny and Melissa. They brought his wonderful Pineapple upside down cake, for which he is famous for in our family. All was eaten while they were here with the exception of 1piece and Fred ate it later after everyone left. Kenny was a wonderful person, good and caring. He was in the Military, for which we greatly respect him, He served with dignity and pride. Kenny we love you and Melissa. May you rest in peace. YOU Will BE Greatly MISSED!
