My Aunt Janie was the best! She was a class act. She was so sophisticated and beautiful and I remember being a kid and she was so good to me. She brought the coolest gifts, always the latest, and greatest cool thing...like she got me go go boots when I was 6. Yes, they were my favorite gift I EVER got and it was from her. She was so good to my children too and brought them the coolest gifts each year. I was much older than all my cousins since I was the first grandchild. Over the years they lived in another state but any contact with them brought joy to my heart. My uncle Buddy her husband is my favorite uncle too. These two were the trendiest and hippest and happiest couple ever. I keep my prayers up for my Uncle Buddy and my cousins and I remind us all that this lady was saved and she will be in heaven to greet us when we arrive.
