Nanny, I Love and already Miss you so much. I feel blessed and honored, to have had you as my Nanny. Your Love was unconditional and continuous. My memories of you will always be kept close to my heart. One of my favorite memories, is the day you and Papa were taking me shopping for my first bra. I was in the backseat yelling, "Why do I need a bra Nanny?" Papa was trying to keep from laughing, while you were explaining why I needed one. You made sure, that I had the ones with the little pink bow in the center because those were the best. You always made sure your grandchildren were taken care of and we never went without anything we needed. You were always the BEST Nanny. I Love YOU to the sky NEVER Stop! Give Momma and Uncle John a hug and kiss for me.
