Dale has been with my husband every day for the past 16 years. He was his best friend. They shared a birthday and I will say that they loved one another and had much respect and admiration for each other. If you knew us, you knew Dale. He became friends with all of our friends. We were so honored to have him in our lives for the time we did and were so happy that he found the perfect lady. P'nut (as we call her) made him happy. They did so many things together that he probably would have never done without her. Theirs was a true love story. Their time together was always fun. Dale's final wish was for he and P'nut to take his nephew, Davey to see the ocean. His wish came true... Davey went to the beach. Dale is one of those people that you are blessed to have in your life. I would like to personally thank P'nut for the special, loving care that she gave him during his final weeks. Our deepest sympathies go out to the rest of his family. We loved him deeply ...there will never be another like him. Love you always buddy! Lorrie (aka Herbs wife)
