I worked with Steve and Pam for a number of years in state government and was very fond of both of them. Steve had a wonderful Southern drawl and a knack for storytelling. Who could forget his tale of getting on a ride at Six Flags with his father and son that moved slowly upward until suddenly, to their surprise, the bottom dropped out? Or his story about a Christmas tree that he and William kept in a closet year round so that it could be pulled out, fully decorated, each Christmas? Steve had a strong work ethic and enjoyed solving problems. He noticed things that needed to be done and did them. But most of all he was devoted to his family and so proud of each one of them. We will miss Steve. Susie Baird

For nine months, I carried you next to my heart, and after you was born, I carried you in my heart. You was a special son, loving and kind and my heart aches, at the thought of not having you to talk to and laugh with. I will love you til the 12th of Never and that's a long long time. You are greatly missed. Mom

Aunt Frances, Pam, Ronnie & Bart, I am so sorry to hear about Steve. I remember the first time we all met. I always looked forward to our family Florida trips with you guys. Even though I was a few months older than Steve, he & Ronnie always played the big brother role, which at the time I didn't like, but now, it was a labor of love especially from Steve. The Hopper Family has always had a Very Special place in my life & in my Heart. We miss Uncle Jack & will now miss my Big Brother, Steve. I love you all. Claudia
