I worked in bars for many years and Spurlock would come and visit and chat for a while in which ever bar I was working in at the time. Through one of our many conversations, he found out that my Saint Christopher had been stolen. One day while I was working at Country Western, a couple of years later, he came strolling in one day with a small gift box in his hand and a smile on his face. I asked Spurlock what he was up to and he handed me the box and told me to open it. As instructed, I did as he asked. I was a little worried about opening the box because of the jokester that he was. When I opened the little box there was a sterling silver chain with a small Saint Christopher on it. I cried....of course and Spurlock told me to quit being a girl and put it on. I took the necklace out of the box and he latched it around my neck. He told me that since my boyfriend Tony Hogwood nor himself could be with me 24/7, that maybe it would give me some protection. Even though James Spurlock tried to be rough and tough, he had the heart of a Saint. Spurlock loved me and I loved him. It breaks my heart that Teresa has lost her best friend. Spurlock, May you rest in peace and ride your bike and hang with your buds Turnaround and Bill (MOONDOG) Smithson and finally be pain free for eternity. I'll love and miss you TREMENDOUSLY!!!!!!!!!!!!!!

I am saddened beyond words! I know he is at peace so I guess I'm just being selfish. I have known Jimmy for over 25 years , he was like a big brother to me. I don't know anyone else on earth that could come up with the MOST FUNNY, off the wall jokes that could make even your worse day, brighten with sunshine. He was one of Nashville's most professional businessman of his trade. He treated people the way he wanted to be treated. He had a strong faith in God, in his commitment to the community endeavors he was a part of and he was a protector! God broke the mold when he made Jimmy Spurlock! He was loved by all that knew him, admired for his loyalty to what he believed in , and a true rarity when it came to how much he ADORED his wife and worshiped everything about her! To Mrs. Theresa, I do not have words worthy of expressing what an amazing woman he always spoke of you being. My love & prayers are with you, all your families and his friends... that he cared so much for! I will miss him more than I can say but God has him know and he's probably looking down on us wanting us to celebrate with joy & cheer... not easy but we all must stay strong for him, I know that's what he'd want. ~ and if you remember... Only in God he trusted... all others pay cash. All my love and condolences 🙏❤️

Kathy Smithson sent a virtual gift in honor of James.

Teresa, I'm so sorry for your loss. Spurlock and my brother were good friends. He was a Pallbearer at Bill' (Moondog) funeral and it meant a lot to us. Spurlock was always really nice to our family. Praying the Lord will give you Peace, Comfort and Strength during this time in your life.
