I am so deeply sorry for your loss. I have many fond memories of Evelyn. She was a wonderful person and was so good to me when I had the pleasure of working with her and your family when you were in the wedding/catering business. I'll never forget the time at her house in Parkwood when we shucked corn and she taught me how to freeze fresh cream corn. I remember that so well. She was a hard working woman and such a giving person. Love and prayers to you all!
