Luke was a very special man. We had been friends for over 30 years. He was funny, opinionated, and insightful. He would always give his honest thoughts on any subject whether you wanted to hear it or not lol. I miss my friend everyday and often pick up the phone to call him. I have saved his last message to me just to hear his voice when I need to hear it. I will always love him. Sarita R Grays - Langford

To my friend Howard Lucas. I enjoyed our friendship that we had for several years while working together together and the love Nitza Scarbro and Esther Carpenter had for the 2 of us. Keep the people entertained. Miss our friendship and the talks.

I miss you cocobear, I'm sorry we were not able to meet face to face in this lifetime, but our phone calls are not to be forgotten. I'm happy that you are no longer in pain. God be with you and those you shared your life and love with, until we meet again. Beth
