My mother, my brother, and I all lived with my papa from when I was about 3 or 4 until I was 10. We had so many memories together. He taught my brother and I so many things. He taught a lot of people so many things. He's also been there for me anytime I needed him as I was growing up. He's one of the best human beings I've ever known and I was very proud to call him my papa. I love and miss you so much papa!

I just wish I could've seen you one more time before you left us. I love and miss you so much!

It was so nice to spend time with Daddy, Spencer, McKenzie, Joslyn and Jackson on Christmas day. Although I did not expect it would be the last few hours I spent time with him at his home, it was time well spent and a wonderful memory for my son, his wife and two of my grandchildren. I will cherish the memory.
