Don Kettering posted:

Papa was the best grandfather a kid could ask for. His big smile and loving personality made our annual week long summer trip to visit at their home in South Carolina a highlight of my childhood. Getting to work with Papa on carpentry projects, target practice with the .22 and learning how to drive stick shift in the old Tacoma truck are some of my fondest memories. Always loving and accepting even when I made a mistake or acted out of turn. I will always cherish the times spent with him. I love you Papa - Donny
