**Loretta Simpson** lit a candle in honor of Charles.

Charlie and I go way back when I was just a kid pretty much just going into my teens..Even though we didn't see each other for many years when we did finally get back in touch it was as though we never really ever lost touch..That's what true friendship is all about..I will truly miss you, we didn't have enough time to catch up on lost time but just know I love you my friend..R.I.P
