John & Ms D welcomed my family to Tennessee 18 years ago when we moved here not knowing anyone. We became part of their family from the very first day and not just a neighbor. It was like having a second set of parents next door to share your holidays, birthdays and with every celebration of life. There are too many memories to share and each one are so cherished because John made them so special. John was determined to welcome my dad "Sonny" to his group of friends after he moved here from Florida. He truly made that difference for my dad and for many others. John I appreciate all you have done for me and my family. You are so loved and missed. Your Friend, Sam

When my Dad, Sonny, moved up to Lebanon, John was so kind and took him under his wing. John introduced my Dad to his buddies and they all gladly welcomed him into their group. I always enjoyed hearing about their monthly escapades. John was such a true friend to my Dad and they shared so many cherished times together. John was the definition of a true southern gentleman. I'm going to so miss his endearing chuckle! Love you, Cindy.
