I knew Mr. Trice for 30 years. He was a very caring, kind man! He always wanted to keep tabs on people that he knew. He never failed to ask about me or my parents when they were living. When I would go by his house to visit, I could always count on him "cleaning" the outside of my car. He liked to take an old rag to shine cars and make them sparkle. He was always trying to do little things to be helpful to others! Thinking of the family during this difficult time! With my deepest sympathy, Karen Sawyers
