Every time I saw her at Dr. Carol Cantrell's office, she would show me pictures of her handsome grandson. Oh yeah, he is a very handsome young man. She was so proud of him. She was a kind and loving soul. I am so sorry to hear this. She will be missed. Prayers for her family and Dr.Cantrells office, especially Cricket.

I'm so sorry to hear about Anita. I loved seeing her at Dr. Cantrell's office. My best memory of her is her telling me all about how cucumbers were a good anti-diabetes food -- then added she was tired of eating cucumbers! We laughed so hard. She was a quiet, gentle soul. Love to you all.
