We were shocked and saddened by the tragic passing of Chip and his wife. I came to know Chip thru his Bbq business. I purchased Bbq from him every week to resell at my restaraunt The Deli. He was always super friendly and I came to know of his love of hunting just by our Saturday morning talks (when he wasn't hunting) He spoke everytime we ran into each other at Sam's club and he'd wave when he passed by The Deli if I was to busy to talk. I'm so sorry for the families tremendous loss and I'm sincerely sorry I wasn't able to pay my respects in person, it was a pleasure doing business with Chip all these years and sharing a few laughs in the process.

So saddened about your folks. I have great memories of Chip comin in the co-op shopping for some deals, and always cuttin up when I came to the drive-thru at Whitts. When they got their place out here in Woodlawn, seen them both at the DG, they were both so excited. They sure were some awesome people. Prayers to y'all and your families.

It has taken me a while to "share a memory" here because I am so saddened by this tremendous loss. Chip and Mitzi were such wonderful, loyal people that I had the honor to knit and learn from since I was a teenager at my first job. I am in total shock and disbelief. Yes heaven gained 2 angels but we have lost beyond measure. 😞

Chip was a very loyal friend. He was cautious, and did not let everyone into his circle. But i'm clad to be able to say we were good friends for 20 years. i hope the family buries him in ORANGE.

I worked with Mitzi when she was pregnant with her first child. Mitzi was so crazy and would make all of laugh until we snorted. Of course she usually snorted first. Chip (Joe) was her high school sweetheart and they never lost that. Chip was the owner if Bud and Joes BBQ in Hendersonville many years ago. He produced the best barbecue that town has even known. Chip and Mitzi you were well loved and you will be very missed. My heart goes out to your family.

Kim, thank you for sharing your sweet memory. I worked for Chip at Bud-n-Joe's for 4 years. It was my first job out of high school. I am still in total disbelief about what happened, so sad & totally avoidable. I loved Chip & Mitzi, I will always treasure the memories I have when I worked for him.
