I have so many wonderful memories of Aunt Glen and Uncle Jr. They used to let my dad take my sister and I fishing in their pond. I thought I caught a fish once, but it was only the minnow I was using as bait. 😊❤️

Resident Spotlight

Glennara Conyer

No one has lived at Maybelle Carter as long as Glennara— she's been here for 21 amazing years! She remembers when Maybelle Carter was being built and decided it would be her home one day. She was born and raised in the Nashville area and put her love of math to work for 20 years as a CPA. Glennara and her husband later moved from Madison to a log home where they could raise Angus cattle on 118 acres. She has two daughters and one grandson. Both of her girls went to Lipscomb University where one received a scholarship for singing. Her sister in law is also here at Maybelle Carter.
