That picture of her says it all. Bright, shining, funny. I have had many patients that I have cared for and I have kept the losses of them to myself, but Ms. Peggy was a gift to me the moment we met. In our talks she expressed her deep love for her family in such an inspiring way. No matter how bad she felt at the time, her face would light up when we talked about you. Please know that she will never leave you. She told me that and I believed her, so I hope you do too. And I know she will never leave me either. - Stacey Stone, BSN, RN, OCN at Nashville Oncology Associates

Peggy was a very special person. I was blessed to call her my aunt. Always with a positive outlook and a word of encouragement to everyone. She'll be among that "great cloud of witnesses" when our day comes to join those who have gone on before us.

Since we live in Mississippi, we only saw her (sorry to say) a few times usually at funerals, but she left a lasting impression of being a very caring person, and her smile and laughter just made you know she was someone special. We were blessed by her presence and are truly sorry for your loss. The LORD bless you each one. Kenneth and Lyn Utley
