Harriet was one classy Lady. She loved her career at Dillard's and loved her family. When I think of Harriet I see her all dressed up and standing proud even though she was a tiny thing When Harriet entered a room, you knew it. She helped many clients over her career dress with confidence and style. Harriet, may you rest in peace in the loving arms of our Lord. To the Family, please know how much Harriet was loved and respected.

Harriet was a lovely person and a wonderful friend. I've enjoyed working with her for many years. We will miss you but never forget you. My thoughts and prayers are with her family. One thing I'll always remember about her was her LOVE of Elvis. She used to tell me some great stories. I hope you are enjoying a front row seat at your own special concert.
