So sorry the timing of Shirley's visitation and service was such that Jolene and I were unable to attend either. We've thought about and prayed for all the family during this time of grief. Shirley was a dear friend and a very special lady. May God bless each of y'all now and in the days to come, with Shirley and Tom both in Heaven. We know they rejoice in being together again!

Nana was at all celebrations. In fact she'd prepare your favorite meal for each birthday. Just one memory

Shirley was in my Sunday School class and when she seldom spoke it was meaningful. She had a generous spirit and her love for her family was always apparent. A sweet spirit that now makes heaven a little better. Nancy Old
