Matt was a nice man and a good person. Matt was part of our Belk family and we will all miss him very much. He was a kind and considerate coworker, and he went out of his way to help those around him—like one cold winter night when we got off late and he scraped the snow off of everyone's windshields after an unexpected snow. I will always remember that. Rest In Peace, dear Matt. Rhonda White

I've worked with Matt at belk, from the 1st day he joined our team. He was always upbeat and enjoyed his job. We enjoyed our talks about Valarie's children and dogs as well as stories about my dogs. He enjoyed going to Publix, on his break, and bringing sweets back to share with his favorite coworkers. He kept candy in his stockroom to share and always let me know when he had restocked his "stash". He was liked by everyone and will be greatly missed. He is now at peace. Susan Wright.
