Hey this is my beautiful mother she is missed very dearly. I wish she was still here but she gets to be in heaven and not have to go through any more pain and I know she is in a better place now. I love her so much I wish she was still here. Like I said I didnt even know this was up until now. I have so much memories with my mom the 14 years she was here with me. Way too many to count. And those memories with her are my most favorite. I will see you when its my time to go too momma. I love u and miss you so much u have no idea. I think of her all the time and never stop. I know she is looking over me saying she loves me katy bug which is my nickname from my family that she called me but that's all
