Steve was my computer teacher, class of 2001. What a great time we had! We enjoyed talking football and he introduced me to fantasy football back then!! I also got to enjoy coaching football a year with him after graduation. I also remember seeing him on campus at MTSU as he continued his education. Steve was always a joy to be around and always had a smile talking about his family. I am lucky to have called him a friend. Our prayers to his family. Craig and Kim Stephens (Price)

Steve is my first born son's father-in-law...I say IS because he lives today. I know where he is and exactly what he is doing (hugging Katelyn). Steve was so kind, especially to the underdog and underserved. He sacrificed much in his life serving as a Christian educator but in it found his eternal life. It is not lost on us that his victory is claimed during holy week. All should learned the example he lived. To Miss Debbie, my heart breaks for you and all the children and everyone in central Arkansas and the Harding University is with you in thoughts, prayers, and reflections. May Christ walk especially close with you and the Holy Spirit give you peace that surpasses all understanding. Linda and I will see you very soon. Stu
