My life has been so blessed. One of those blessings was Leslie. She was without a doubt the kindest most loving human being I have ever known. We didn't talk a lot after she retired but she was always on my mind and in my heart. I will miss her but I am happy she has been released from the pain she endured for so long. Her wings carry her now. Love you always. Marsha

Leslie was the first friend I made when I went to work at C&I and we remained friends throughout our careers and even after we both retired. We could talk and did talk about everything, just about! Her laugh was infectious! Tony, she loved you so. She was a beautiful woman inside and out. I'll miss her on Facebook and Messenger. Love you girl! ❤️

She prayed for all, she loved all. She touched lives and listened and spoke gently, I will miss her deeply as she was supportive through my tough times and reached out to me. She had many challenges in her life and never gave up when she may have felt like it. Heaven has a new beautiful angel and I know she's got those wings. My fondest memory of my Aunt Carole, was when I attended their church in my teenage years and was able to build a connection with her and she absolutely never judged me for anything. She always made it a point to reach out to me and check on my and tell me she loved me. She held on to her faith through and through. She was a beautiful woman with an even more beautiful soul and I will miss her more than words can explain. My heart is with my uncle Tony. I love you both. Her memory will live forever.
