Reba Wauford lit a candle in honor of Huldah.

As a child and teenager, Hulda was my special friend. Her memory is forever etched into my mind as that vivacious, beautiful, water-ski-loving female I so admired. She was full of life and participated in all the opportunities life afforded her with family and friends. Time goes on and we lose contact with people but neighborhoods brought us together in early days and are a link to our feelings for one another. Your memory will live on Hulda.
