Joan and I were good friends in High School. I knew her to be a sweet and intelligent young lady. As with many in our graduating class, I never saw her again...perhaps later on that great day. 1 Thess 4: 16-18. My prayers go out to the family for comfort and peace.

Cindy, I am so sorry for your loss. You and your family are in my prayers. While I didn't know you mom, I know she had to be a special person because of the kind and thoughtful friend You are to others and I am certain she taught you to treat others like you want to be treated. May God comfort you during this difficult time and may you find peace.
