Linda wanted to let you know how sorry I am even now in the loss of your mom. Some of my best memories in high school were with you and Ms Wolven. I will never forget times camping and her teaching me (and many others) how to water ski! Later on in years, living close to her, I loved seeing her walk her dog in the neighborhood and talking to her. She had a passion for living and truly enjoyed life and taught and gave to others, and I know she loved you and appreciated your faithfulness to her to the end. All my love and prayers to you and Terry. Cathy (McHone) Zoccola

Linda, I'm so sorry for your loss. I have very fond memories of your mom as a great teacher at Litton and of our wonderful times together in the Skiing and Skating Club. I developed a life-long love of snow skiing because of your mom and was even on the same ski trip with her several years ago with the Nashville Ski Club. My sincere condolences to you and your family.
