So sorry for the loss of David but when God's ready for you he's going to take you home and that's where David went, to heaven. I know when I used to talk to his wife Emma (that's my cousin) and we would be talking on the phone and he would come and talk and we would all laugh together. They would go to bingo and when they would win he would tell how much they won and he'd say tell how much we won Emma and when they would tell it I would say wow and he would laugh and he'd get tickled when I would say wow. We're really going to miss David but I'll see him again.

David will be missed by everyone that knew him. I didn't know him that long , but he was a loving man, kinda quiet but a good man. He will be missed by those that loved him most. My heart is broken for his family.
