Joel, Don't know if you will remember me or not, David Collins, we delivered papers together back in the 60's. Even won a trip to Daytona for conning people into subscribing to the Nashville Banner! Sorry to hear about your mom. I lost mine in 2011 and there is still a big vacuum. Take care and stay safe my friend.

Joel, I was so sorry to hear about your mother's passing. She was such a Christian example to so many people during her life. May the Lord our God be with you during your time of grief, you have been such a tireless and loving son to both her and your dad during their golden years. It takes a lot...but you've been there every step of the way. It goes without saying...if you need anything, anything at all I'm here for you and your family. In Christian love, Herschell Watson
