Ashley Moore posted:

Victoria was my step-sister growing up. I spent many years of my childhood babysitting, bathing, feeding, and caring for her while her parents worked. Tori would hear my voice and would laugh and laugh! She loved to be held, and enjoyed kisses on her cheeks. I loved Tori with every ounce of who I was. She was special and I will always cherish the memories I have. Tori, you'll always have a special place in my heart!!
