Gwen and I worked for BellSouth together for many years. In all my time there I don't remember her not having a ready smile and happy demeanor. I was thrilled to see her and Steve at Highland Park Church. It was a horrible shock to learn she was no longer with us in this life. I loved her very much and my heart hurts for Steve and Rachel, and all of her family and friends. Because of Jesus, we will see this beautiful soul again one day.

The loss of this dear friend is crushing. She was a sweet, comforting friend that I always associate with my faith. we went to church together at Bellevue Community Church (BCC) and then have gone to Highland Park Church together. We call our selves the Renegades. We meet for breakfast on Sunday mornings at LEPEEP and then go to church and fill a whole row. (before the pandemic). her loss will be felt a long time, I just loved being with her so much my heart aches. Heaven is livelier now Gwen is there. Love you forever

We've only known Gwen for a short time through the bowling league, but her smile we'll never forget. Mondays at bowling will never be the same without our sweet friend.

I was a short time friend but blessed to have known such a wonderful person. Gwen was a beautiful lady inside and out.
