Dr. Carl Ernest Mueller, PhD, age 81 of Fairfield Glade, Tennessee passed away on Saturday, January 9, 2021. He was born in Jamaica, New York to the late Carl and Olga Mueller on August 30, 1939. He was preceded in death by his parents, his sister and brother-in-law Margaret and Zanuck Kosch. He is survived by his loving wife of 34 years, Jenell Ogg Mueller, and brother Daniel W. Mueller (Gerri), as well as a host of nieces, nephews, extended family, and friends. He is also survived by his "fur baby" Cooper.

Dr. Mueller was a strong believer in the Lord, and his faith was one of the most important things in his life. In February of 1952, at the age of twelve, he accepted Christ and began his journey with the Lord. He went on to earn his Bachelor of Science in Chemical Engineering from Clarkson University in 1961, a Masters of Science in Chemical Engineering from the University of Maryland in 1969, and a PhD in Chemical Engineering from the University of Maryland in 1977. He was a member of Sigma Xi - an Honorary Research Society, Omega Chi Epsilon - an Honorary Chemical Engineering Society, the Electrochemical Society, the American Institute of Chemical Engineering, and the Gideons international. He spent his career as a Chemical Engineer for the United States Department of Defense (Navy), during which time he received two Meritorious Civilian Service Awards.

He experienced several miraculous healings throughout his life that could have only been the work of the Lord, including healing from Stage IV Prostate Cancer. He received his Ministerial License with the Assemblies of God in 2001, and ministered with his wife Jenell for many years after he retired from his position with the Navy. He and Jenell did a lot of traveling together, visiting many places including Hawaii, Mexico, and Acapulco. When asked what he would change if he could live his life again, he said that he wouldn't change a thing. He would live the same way. He loved God, loved his family, and lived every day to its fullest.

As a teenage visitor to First Assembly, Silver Springs, Maryland, Carl was the first person I met. He was instrumental in introducing me to Sunday School and other activities. This became the church where I both worshipped and served until I relocated as an adult. As a teenager and young adult, I appreciated the faithfulness, consistency, and example Carl demonstrated. No one could mistake his love and commitment to the Lord. Also, who can forget the graduation banquet that made the achievement even more special. Thank you for serving, Thank you for caring, and Thank you for loving others no matter. My thoughts and prayers are with you, Jenell.Wayne Gibbs

I remember Carl's joyful smile and welcoming hug the most. Carl and Janell stepped in as God-Grandparents for the dedication of both of our children since Daddy was giving the "dedication charge". Thank you, Carl for blessing my family from the very first moment you met each of us. Janell, sending you hugs and joy knowing we will see Carl again in heaven. ❤️Jaime,Kaylyn, Jacob and Kaycee

Carl was a great mentor to me when we first started attending First A/G in Silver Spring Maryland. It was always fund playing with Carl on Sunday evenings worship as Carl played his trumpet, Pastor Moore his alto sax and I with my trombone. Carl and Jenell always made sure that we taught our daughters the fundamentals of the church and treated our daughters as their own grandchildren. Carl was always a big brother in Christ and his testimony was impeccable and carry. See you in the kingdom.
