Dr. Glenn was my co-advisor at the School of Education. He was caring, thoughtful and knowledgeable in assisting me with my dissertation. He was always happy to answer any questions I may have had. I will miss him and am saddened by my loss. May his memory be a blessing for your family.

Bro. Larry, I have a heavy heart, and so do other members of the family. I am thankful for the childhood memories that have carried us over into our adult years. I will miss our phone conversations, pop up home visits, embracing hugs, and having you at family gatherings. Brother, your departing hurts, but God knows best and does not make mistakes. Brother, until we meet again may the" Lord watch between me and thee, when we are absent one from another." I will love you always.Love SisterGladys Glenn Mason (Robert, Sr)and Family
