I'm so sorry that I didn't know Buddy had died until Fr. Tomy called me right after the funeral. I would have sent flowers had I known. We hadn't talked since November. I knew about the bladder cancer, COPD, & macular degeneration, but didn't know about the lung cancer. Buddy was a good friend & I miss talking to him just as I missed talking to Dot after she died. Of course, I believe they're together now (their souls) with Jesus & at the reurrection they will be together bodily with Him in his new kingdom. Please, children of Buddy & Dot, read 1st Corinthians, chap. 15, verses 50 thru 58 & take comfort from it. I will keep all of you in my prayers 🙏 Lovingly, Gwen Gibson

I walk by Buddy's house often, though I did not see him often. Over the years we chatted a few times and he was a very friendly gentleman. I am very sorry for his passing. I wish the best to his family. Tom Trisdale Hendersonville
