I am so sorry you lost your beautiful daughter and mother. I first met Kim in 7th grade where we both attended Our Lady of Fatima. She was so sweet but also shy to be at a new school and worried about her fair complexion and freckles. I would tell her she was so pretty because she was, although she never believed it. I remember seeing her with her parents at St. Basil Church in Judice. We also attended Judice Middle School and Acadiana High School together. I'm so sad to hear she has died so young.
