Oh timmy. No one will ever understand the love I have for you. You were always there no matter what was going on, or who else wasn't there. You helped me through so much. Sometimes I felt like no one even seen me as your sister. But I know you're my blood, my family, and I love so much! I miss you so much! You mean so much to me! I'll see you soon, but until then I know you're my guardian angel and you're watching over me
