Kay Medlin Morton posted:

Randy, This is your cousin, Kay Medlin Morton, to say how much your mother and daddy meant to me. They were always kind and seemed to be happy to see me when I visited Aunt Linda and Uncle Elvin. I have lots of good memories of being around the Chance family. I don't think I will be able to come to the funeral home to honor Margaret. I have a husband who is very sick and needs my attention, but I know how hard it is to lose your last parent. My mother and daddy, Owen and Violet Medlin, died one year apart - 1983 and 1984, and I still miss them today. Keep your mother close to your heart, and she will always be with you in spirit. I just wanted to say hello and I'll be thinking of you. Fondly, Kay
