Dearest Bobby! I was so grieved to hear that I would not be seeing you anymore but happy to know that you had gone on to that long-deserved home. I have photos of you with my family when I was quite young. How we have loved you! Your sense of humor and love of the south made it easy to relax around you but your love for Jesus and knowledge of the Bible made you an invaluable brother. So very thankful that God lent you to us. It took time to think of something gentle, appropriate and majestic to say about you in such a short space. I have several hymns marked in my hymn book that were called by you. There is one that has 2 stars that was called out by you. Hymn 359... Help me to keep on going, with heart and purpose true. Earth's fading joys receding and heaven's reward in view. A crown in heaven awaiting. Thy chosen, faithful few~ Born again, glorious rest, crown is won! Thanks for the spiritual kindness that you encouraged in my life. I'm also speaking for my mom Johnnie Outten.

Although we're happy for Bobby, we're sad for us as we keenly feel the loss of a true friend and brother. Bobby was a part of our family during the growing up years of our children in northern VA. His love, servant's spirit, encouragement, kindness, and humor were a gift to all of us. Certain of his sayings, which we called "Bobbyisms", still bring a smile to our faces. Bobby will be sorely missed by so many who loved him. Gordon & Julie Thomas and family

Knowing Bobby for 60 years was a blessing. His life reminds me of Issachar, couching down between 2 burdens he saw that rest was good. Bobby bore the burdens with grace and he never lost sight of that rest and now he has obtained it. He always had a word in season. He will be missed. Doug Thomas

Bobby was a very special man in many ways, I had the privilege of working with him for a year in SW Virginia. He was always happy and upbeat even on the days when he informed he was grouchy. He loved to share the Word of God and as others have said he excelled at having words of comfort at funerals. I'm glad I had the privilege of working with him.

Bobby's tender care of Hubert back in the 90s here in TX made a lasting impression on some of our children who were below 10 years of age. They are all in their 30s now and mourning the loss of their very special friend. We've all lost a dear friend, but we are so glad he allowed God to turn his life into a miracle and now will rest in peace throughout all eternity. Steve & Donna Klepzig

It is so touching to me to read the tributes to the lives Bobby's touched. He had thought he was a dying life like in a cocoon, but the most beautiful 'Butterfly' emerged, and even at that the best is yet to come as he has said. I only know Bobby through the times son Darrel and Jo Droel mentioned him.

We were so thankful to have Bobby here in our home over the years. So many thoughts when thinking of his love and care for God's Kingdom and his people, and care for those honest souls yet searching. His love for his Bible and God's word. Thankful for his encouragement over the years through emails, texts and calls. True spirit of a servant. As others have said we remember and am thankful for his reminder of "The best is yet to come" and "The sweetest rest you ever had". Rest dear Brother.

Bobby Sylvia was like a brother to Joe and I. He was soo kind and thoughtful of the friends. Full of life... and always a real joy to have him in our home. At funerals he had... he would remind people that "the best was yet to come." Also said ... "it's the best sleep you could ever have..." I will miss him so much. A very special brother who always had words in season. His spirit of thankfulness as a servant of God, no thought of himself any higher than a servant. We miss you in our midst, Bobby. Thankful that you "saw His promise afar off..." & now "seeing what you believed in."

I remember Bobby at Downings preps and convention in VA for many years in the mid-60s. He had such a genuine sense of kindness and a keen sense of humor, always working hard in the kitchen and in the farm fields. Grateful that God gave him to us and he is now resting peacefully after touching so many lives.

I am very thankful my Mom, Sister, and I made our first steps in this truth back in 1967 in Bobby's gospel meetings with Charlie Hughes in Arlington Va. Vicki and I have enjoyed his spiritual direction and cheerful giggle with us many times since then. So thankful we got to know him and he faithfully pointed us to things above throughout his life.

Bobby was very special to us for many reasons, but most especially for his love of the Truth and for all of the friends that he had known. He could regale us for hours about all of the different ones he had known and for how special each was to him. We loved him for all of these reasons and many more. It's very comforting to know that he has "finished with honor the work he began".Arlene and Steve Gates

Betty DentonI have special memories of Bobby. We were on the VA staff together until 1968. Then I went north & he went south. I saw him later in TN & in SC. He was always cheerful & willing to do the menial jobs.He often washed the pots & pans for the sisters who cooked. He

would mop the kitchen floor & take out the trash. He was good to give care to others. He excelled at preaching funerals. We shall miss him & his cherry giggle. He loved the Lord. He told me Darrin had been very good to him. He said he treated me like a father. I feel he waited to die until Darrin returned. I wish to express my sympathy to the TN/KY staff.

I have special memories of Bobby when I was in TN for conventions. He would always ask about the dear friends in France. He even had a care and a thought for those far away whom he had never met. I was always touched when he would ask after them. Judy Hordyk (France/Belgium)
