I'm Patricia Hatch, Ethel was my grandmother. I spent most of my childhood living with her, I have so many precious memories that I will always cherish! The 2 things that most describes my granny is the tremendous amount of love she had for God and her family. My heart is hurting right now because I miss you so much granny, but I know you're not in pain anymore and I believe with all my heart your with momma, rest in peace until we meet again! I love you Granny.
